

Dr. Jo A. Latimore

Dr. Jo A. Latimore holds a PhD in Fisheries and Wildlife from Michigan State University, and a MS in Biological Sciences from the University of Notre Dame. She is the Lake, Stream, and Watershed Management Outreach Specialist for the Department of Fisheries and Wildlife at Michigan State University, and works closely with Michigan State University Extension and Michigan Lake and Stream Associations. She provides technical support to volunteer stream and lake monitoring programs statewide, and facilitates the Michigan Inland Lakes Partnership, a collaborative effort of agencies, institutions, and NGOs interested in advancing inland lakes stewardship.
